

Erinnern - Ehren - Versöhnen ZOOM-Meeting Remembering - Honoring - Reconciling

ZOOM-Meeting 29.4.21 18:00 - 19:30 o'clock German time.

preliminary note:

We have prepared some questions for our zoom meeting to facilitate our communication. The questions are meant as prompts, to start the conversation, they are completely voluntary. We want everyone to feel comfortable.

agenda:

- 1) Statement senior mayor Dehmer: What has been the effect of the memorial work pertaining the concentration satellite camp and the contact to survivor families for the city of Geislingen?
- 2) Statement WMF Frau Dr. Leiterholt: How does WMF deal with its history now?
- 3) What did you get out of your contact and relationship with Geislingen?
- 4) How has your family's history - especially the experiences during the Shoah - influenced not only the victims tremendously but also you and your families?

further questions:

- A. What else do you think would be good to happen in Geislingen in regards to the history of the concentration camp and forced labor at WMF?
- B. What could the descendants do to help the Geislingen population understand their history better?
- C. Would you have any contributions for the website?
- D. How could we facilitate networking? How could we reach more families of victims of the Geislingen concentration camp?
